2018 Vermont Health Care Expenditure Analysis

Lori Perry, Health Finance Analytics Director, GMCB
David Glavin, Medical and Healthcare Statistician, GMCB

Lori Perry presented the 2018 Vermont Health Care Expenditure Analysis. Lori Perry gave background information and a summary of the expenditure analysis. The resident analysis includes the relationship to the Total Cost of Care (TCOC), expenditures from 2013-2018, health care spending from 2010-2018, in- and out-of-state spending by provider category, 2018 spending compared to 2017, spending by commercial insurance, Medicare, and Medicaid (Medicaid includes mental health and other government activities spending), health care analysis, and national health expenditures. The provider analysis includes health care revenues from 2010 to 2018 and in- and out-of-state revenues for patients receiving services by provider category. Lori Perry presented the comparative summary of the resident and provider analyses by payer type and provider category, projections, and the appendix. The presentation can be seen [here](#) on the GMCB website.

David Glavin presented the Tableau tool that contains the resident spending data and explained how to use the tool and the tabs. The 2018 Vermont Health Care Expenditure Analysis Interactive Visualization can be found [here](#) on the tableau public website. The Board Members asked questions and had a discussion with the GMCB staff.
